

Podcast

COJUG offers a podcast to extend the value of the monthly meetings by interviewing the meeting presenters and other local or accessible Java talent. This is a great way to get some value from the meeting even if you are unable to attend or not geographically located in central Ohio.

Subscribe via	Topic	Interviewee	Date
	3X Systems (local start-up)	Eric Floehr and Dan Shinton	10/16/2008
	Polyglot Programming	Neal Ford	4/08/2008
	SunSPOTs	Inyoung Cho	8/14/2007
	Software Archeology	Michael Rozlog	8/14/2007
	Microsoft Silverlight	Drew Robbins	8/6/2007
	JBoss Seam Interview	Joseph Nusairat	7/30/2007

NOTE: These podcasts are not a recording of the meetings.
